FIND OUT about the Broomall Fire Company

The Broomall Fire Company was established on January 8th, 1923 by a group of twenty six men wishing to establish fire protection for the growing Marple Township community.

The fire house is located on the corner of North Malin Road and West Chester Pike and is staffed by forty-five volunteer firefighters and fifty support personnel, covering an area of approximately 11 square miles, a large stretch of Interstate 476 serving well over 24,000 citizens of Marple Township.

**SERVE your community
and TRAIN with skilled
Firefighters**

The Broomall Fire Company is looking for **aspiring young cadets, ages 13-16** to participate in the Cadet Firefighter Program.

The Cadet Firefighter Program of the Broomall Fire Company (BFC) is designed to teach safety and basic skills required for firefighting. Youth learn firefighting skills and become familiar with the fire equipment.

The Cadet Firefighter Program focuses on community service, teamwork, completing tasks, responsibility, loyalty, courage, valor and most of all fun while meeting new people.

The goal of the program is to involve the youth of the community into the fire services and eventually become a member of the Broomall Fire Company.
